UNSTARRED QUESTION NO:3720
ANSWERED ON:21.03.2001
SCHEME FOR HORTICULTURE FISHERY
SULTAN SALAHUDDIN OWAISI

Will the Minister of AGRICULTURE be pleased to state:

(a) the schemes implemented in the field of horticulture, fishery etc. in Andhra Pradesh particularly in the backward areas during each of the last three years;

(b) the funds made available by the Government for these schemes during the above period separately;

(c) whether ICAR or any other research institute has evolved any new technique for the purpose;

(d) if so, the details thereof; and

(e) steps being taken by the Government for development of horticulture and fishery in the backward areas of Andhra Pradesh?

Answer

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI SHRIPAD Y. NAIK)

(a) & (b) The details of schemes implemented during the last three years including the funds released to the Government of Andhra Pradesh for the development of horticulture and fisheries is given in the Statement at Annexure-I.

(c) & (d) No specific new technology has been developed by ICAR for thebackward areas of Andhra Pradesh. However, improved technologies like high density planting, drip irrigation, hybrid seeds, protected cultivation, macro propogation etc. can be utilized in these areas.

(e) Under the Centrally Sponsored Scheme on Macro Management in Agriculture- Supplementation/Complementation of States Efforts through Work Plan needs and priority are decided by the State Government in a regionally differentiated manner for implementation of programmes. For the development of fisheries the programmes indicated in Annexure-II are implemented by the State in Andhra Pradesh.
